**Subject:** Summary of 5/07 version of Appendix A  
[Appendix A review.wpd](#)

This is a summary of notes/comments on Appendix A (Conceptual Site Model). I have not compared it, to what is in the package for this month--I hope to do that soon, but haven't gotten to it yet. I excerpted it from a larger document and didn't mark it confidential, which it should be. This may point you in the right direction in the document.
